Carapro-1.4.2 - Latest homeopathy-medicine-medical software-fully activated with all features-books! How to Download, Install and. Two and a half years after replacing Miley Cyrus, Demi Lovato landed her own Disney Channel sitcom. The former Disney Channel staple “Sonny with a Chance” will make its debut on January 14 on Disney Channel. Lovato, now 19, will star alongside Justin “Hockey Dad” Gorham and “Dawson’s Creek” actress Katie Holmes. “Sonny with a Chance,” which is developed by Kathy Kinney and co-written by Kinney and “The Goldbergs” Seth H. Gordan, follows a young single father, Sonny (Gorham), who is torn between being a soccer dad for his two girls, who are younger than he is, and a musician. Lovato will play Sonny’s quirky, fun-loving best friend, DJ, who works for Sonny’s live gig promoter. The romance between Sonny and DJ grew throughout the first season. Lovato will next be seen in a leading role in the Disney Channel’s “Sonny with a Chance: The Holiday” film, where she plays Sam, who helps a down-on-her-luck DJ, Sonny (Gorham), earn enough money for the family to go on a holiday vacation. Lovato’s last role on the Disney Channel was in 2016 as the voice of Miley Cyrus in “Moana” and “Lava” and also starred in the Disney Channel’s “Younger.” Lovato has been in a number of films and series, including “The Muppets” and “Cake.” Production on “Sonny with a Chance” is underway in Atlanta, Georgia, with “13 Reasons Why” director Matt O’Leary directing the pilot and Kinney directing an episode. Lovato is repped by IMG and WME.Q: Extracting times and date from xml file using 3e33713323
