59 Cal.App.3d 733 (1976) 130 Cal. Rptr. 483 LOIS M. LYNCH, Plaintiff and Appellant, v. BOARD OF ADMINISTRATION OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM et al., Defendants and Respondents. Docket No. 47371. Court of Appeals of California, Second District, Division Four. June 30, 1976. \*734 COUNSEL Lewis A. Suleri and Harry J. Karpman for Plaintiff and Appellant. Evelle J. Younger, Attorney General, and Jack R. Winkler, Deputy Attorney General, for Defendants and Respondents. OPINION GOLDSTEIN, J. Plaintiff, Lois M. Lynch, appeals from a judgment dismissing her complaint following the sustaining without leave to amend of a demurrer by the defendant Board of Administration of the Public Employees' Retirement System (hereafter BOA). The complaint alleges that plaintiff was married on April 26, 1955, to James W. Lynch, who was a beneficiary of a retirement system under the California Public Employees' Retirement System Law, was retired on June 12, 1971, received social security benefits as a result of his service in the federal government, and had a deceased wife. Plaintiff, knowing that her husband had died, filed a claim with defendant BOA, asserting that the payment of death benefits to him pursuant to Government Code section 21655 constituted a double payment and a double credit. BOA denied the claim, and this action ensued. On August 24, 1975, BOA demurred to the complaint on the ground that it was barred by the statute of limitations of one year. \*735 The trial court sustained the demurrer without leave to amend and entered judgment. We affirm the judgment. The first question is whether the one-year statute of limitations applied to the facts of the instant case. Government Code section 21655 provides in part that "Any member of the public employees' retirement system who dies or becomes entitled to or receives death or retirement annuity benefits under this chapter during the period between the date of his membership in the retirement system and the date of his retirement, shall receive his retirement annuity... as if he had been retired upon his own application for retirement, and payment shall be made to him from the same annuity or supplement for the years of service credited to his account as
