Category:Windows emulation software Category:Windows softwareThe El Dorado County Democratic Party has just sent us their platform. Thank you to our friends at the El Dorado County Democrats who took the time to prepare this document and submit it to the party so we all can use it during the Convention. It was also very helpful for us to read and understand. The party is the first in California to put forward a platform that contains commitments to issues that come to the forefront in the upcoming election. As you review and read what is in the platform, please consider contacting your favorite candidate and telling him/her what you like and dislike about the platform.

We are trying to get as many people as possible to attend to these meetings and help decide the direction and plan of the party. We are also trying to keep the party focused on what is important and we hope you will help. The following are the top five points in the Platform: 1. We want to support the County Clerk and Clerk candidates and the others who are running to become our next County Clerk and CLERK Assessor of El Dorado County. They are the only ones who have ran, won, and have been in the position of being the Clerk and Clerk Assessor. 2. We are committed to working for a new El Dorado County Civil Service Commission. The commission is a good first step to a well run government and good government. 3. The State needs to bring and make efficient and fiscally sound, all of their Business and Consumer Trust Funds to the people of California to manage. The people of California have the right to manage the funds that belong to them. A part of this can be done by having the state and the counties take care of the administrative costs and reduce the time and pay for their management. 4. We are committed to providing a career pathway for future generations of teachers and we will encourage teachers to get the skills to handle the new Common Core Standards requirements. For this to be accomplished there needs to be a career path for teachers which will include a pathway for Pre-K through Post High School 3da54e8ca3
