
Jeppview 3 (Program Disk - Terminal - Enroute Charts) 0720 Cycle Full Version

A: Any JeppView 3, Express JeppView, JeppView MFD, or NavSuite map... A route mapping app for iPad, Jeppesen's Mobile FliteDeck was... A: In response to your questions. 1. Pasting a card with a film, the so-called lamination, is possible, but not mandatory for the manufacture of cards, that is, a card can and should be laminated. 2. Sticking a card to a tablet is also possible and even required, but not always and not for all cards. And if sticking is still possible (although in my opinion not necessary), then only if the card, in principle, has an adhesive base.
