Enter the alien place Travel to the centre of the Universe

There is a unique chamber in the background of Alien Matter Game, relating to the sun, that one who invokes it will discover it and travel to the centre of the Universe. At this point an alliance with alien beings will be formed.

It is why the unusual place appears beyond the forbidden gate. If you want to discover it, select "Alien Matter" as a difficulty level in the starting screen: 2, (if I recall well).

The Sun will change to a small red dot and will start to move, some planets will follow, then Uranus, Neptune and the Sun itself. The mission is to travel to the Sun like this, then when there is a light show, jump through the portal to the explosion you see on the screen:

The explosion will open a dangerous intersection:

The blue dot will enter a big
