Reviews****"Part of the intriguing charm is that you aren't restricted to a straight game of chicken either."**6.5/10, of the intriguing charm is that you aren't restricted to a straight game of chicken either."**6.5/10, no means are you going to be a master of negotiating (besides just screaming at the other drivers), but you are going to learn what drives each character. There are quite a few different scenarios you will see in your travels (people will talk about things you do or don't do, they will comment, they may even flat-out deny things you say), which is a welcome change of pace. In that regard, it's worth mentioning that this game is often referred to as a dating sim/dating simulator because of the dialogue choices and the fact that there
