"I was able to freely play the game without having to worry about things that happened in front of me. Things

that happen randomly when I'm playing fighting games or RPGs don't happen in ELDRING." - Yuki.net "The UI is easy to read and gameplay is easy to understand. It's also good to note that the game is maintained on japanese and english. There's also a translation in Chinese too. I think that's great that ELDRING is doing so much for the other countries. The handling system is also easy to understand." - Akanui-san.com "With ELDRING, I can easily navigate the different scenes." - Toshi-san.jp "It's a great action RPG that got lots of

attention. If you like action RPGs, you should definitely play ELDRING." - Gaming-nya.jp REVIEWS ELDRING game: "I want to play this." - Jo.psp-fan.com "I want to buy this." - Times.web "Fun." - The Obscurist "I recommend trying ELDRING at a store." - Retro-Game "I tried ELDRING during a local community event and have enjoyed a multitude of aspects." - Retro-Game "Cool." - Gaming-nya.jp "ELDRING is only 2/5 of the RPGs with this style. It's a simple action game, but this game is super addictive. I'm glad that the price is low." - Abito-

san.com "The quality is low, but the cost of the game is low. I recommend you try this game if you like action RPGs and fantasy RPGs." - Cuunu-san.com "ELDRING is cheaper, has a shorter story, but also has more general appeal to more people. I recommend buying this if you're going to buy action RPGs and fantasy RPGs." - jpantothegame.blogspot.com "I really like this game." - Bluemoon8888 REVIEWS ELDEN RING game: "I want to buy this." - Jo.psp-fan.com "I want to play this." - Times.web "Fun." - The Obscurist "I
