A Fantasy Action RPG Created by CNBLUE Korean: : English: : North America: Asia: (Description taken from Wiki) The Elder Scrolls Franchise, often shortened to simply the Elder Scrolls or simply TES, is a series of fantasy role-playing games developed by Bethesda Game Studios and published by Bethesda Softworks. The series shares many of the same elements such as a vast open world and variety of gameplay options to set the player's progression apart. The newest games in the series, The Elder Scrolls VI, announced in January 2019, and The Elder Scrolls: Blades, announced in November 2019, will be the final installments of the series. The Elder Scrolls (abbreviated to TES or ES), is a fantasy role-playing video game series created and developed by Bethesda Game Studios (BGS), released for Microsoft Windows, Xbox and PlayStation video game consoles, as well as the original Xbox, GameCube and Game Boy Advance handhelds. The series features open world gameplay, allowing the player to travel to any towns they find, wander around freely, and choose to undertake a multitude of missions from various factions. Players can visit several towns, and many of them can be combined into the construction of various player-owned houses, each offering unique perks. The games have been ported to various other platforms and OSes; for instance

catastrophic warp pulse of 2:0... Like a stealthy drop of packets of plague! Oh. Is she a man. I get it now. That whole song choice by the Vocaloid people is extremely telling about Miku's gender - Suika Hime is also a concept of chaste womanliness, while the more manly Hitori no Shita is a story of endless takeovers.

Hitori no Shita (Tr. 友達 [Let's be friends]) is the story of the Urusatsu family during the ancient antediluvian age, when giant-sized marine creatures called Liphaks began to ravage the world, building fortresses in the middle of the ocean and occasionally breaking in as refugees from other seas to ascend to human existence under the guise of amphibians (much like the
