We at PlaYan Games understand this all too well, and that is why we've put so much time into developing our own brand of indie cool. Today, we're thrilled to announce that Adam Cyriac has joined the company! Adam is the former MTV VJ and current host of the web series A List that I Made Up, which has been featured on YouTube and Funny or Die. He's also working on a poetry project called I Swear, which goes live this summer. Hear some of his work in the audio clip below:**
