Homebound is a charming platformer that sets out to explore one of the most delightful environments you have ever seen. Inspired by retro games and 80's cartoons, Homebound puts a humorous spin on the classic platformer genre while creating something completely fresh. Key Game Features: - Multiple character types (human and cyborg) - Different worlds - Grafitti, jungle, alien planets - Intuitive controls that let you perform a range of unique platforming moves - The ability to transform into your favorite characters in the game - Variety of game modes and achievements - Special bonus content including unlockable characters, levels, and a secret "cheat key" - Original tunes and original soundtrack by composer Enzo Ferrari Homebound is a Zeebo game. Zeebo has chosen this game because it showcases the qualities and strengths of the Zeebo platform. It demonstrates how games can leverage the capabilities of Zeebo to bring something new and fun to the market. For more information about this game please visit www.zeebo.com

Miner Wars: Your Mine Have you ever lost something vital to you and wish you could get it back? You want to get it back, but don't know how. With your mining ship, you take to the galaxy on a quest for lost goods. But, there's a risk of losing what you've found. What happens if you miss the mark? Examine what kind of items you can find from the arcade-style environment, get closer or further, and plan your moves. A high-powered rifle to aim and shoot, a shield to protect you from asteroids and missiles, and missiles to shoot at and destroy objects in the game. Miner Wars: Your Mine is a redemption game where you go to the planet you've lost and search for items you have lost to find again. In the same time it takes to grab a pizza, take a journey through this comical, colorful world.
